## Career Objective

A dedicated and results-driven professional with a strong foundation in Chemistry and over 3 years of experience in teaching, seeking to leverage my analytical and problem-solving skills in a Quality Control (QC) position. Proficient in ensuring compliance with industry standards, conducting material testing, and maintaining product quality across raw and packaging materials. Adept at working in high-pressure environments, with proven ability to perform precise data analysis and ensure strict adherence to safety protocols. Eager to contribute to a dynamic team in a QC role while continuing to develop professionally within the field.

## Experience

- Private Tutor (self - employed)**Aug 2021 – present
- Conducted individual and group tutoring sessions in Chemistry and Science for over 50 middle and high school students over three years.
  - Developed customized lesson plans, leading to a 35% increase in student engagement and understanding of complex scientific concepts.
  - Utilized interactive technology, including simulations, which resulted in a 40% improvement in student participation and enthusiasm for science.
  - Helped students achieve an average score of over 90% in Science subjects, with consistent grade improvement.
  - Assisted students in exam preparation and building foundational knowledge, leading to significant academic progress.
  - Conducted regular assessments, with feedback showing a 20% increase in group average scores by the end of each term.

## Education

**Bachelor of Science in Zoology and chemistry Ain Shams University ( ASU), Cairo, Egypt.**  
Class of 2024  
Grade: 2.87/4 (C+)

## Activities

- Head of Media and Design, ACS Chapter, Ain Shams University**Aug 2023 – July 2024
- Managed social media platforms, leading to an increase of over 1,000 followers on Facebook. And 225 followers on Instagram
  - Boosted reach from 10K to 22K, with impressions surpassing 30K and engagement reaching 30K.
  - Led the Media & Design Committee and supported vice chairs with strategic initiatives.
  - Delivered 4 offline sessions on marketing, content writing and copywriting, photography and editing, and Photoshop basics
- Vice Head of Media and Design, ACS Chapter, Ain Shams University**Oct 2022 – June 2023
- Created over 15 designs and content for scientific posts and managed the Facebook page.
- PR Member, ACS Chapter, Ain Shams University**Sep 2021 – July 2022
- Paraphrased content for communication tasks, enhancing persuasion and negotiation skills.
  - Delivered presentations on various topics including 2 presentations on how to an active listener.

## Courses

- Summer Training Course in Zoology & Chemistry, Eye Disease Research Institute, July 2023 - Aug 2023
- knowledge of the eye diseases and examine the eye components of a Rat
- Completed Training in Photoshop for beginners, July 2023
- Learning the tools of Adobe photoshop and how can I use it with a practical application to it
- "How to be HR" Course, Sept 2022
- Completed all IC3 GS5 Spark Certification Requirements, Sept 2022
- Attended 60 hours of MyClass at elementary level, British Council, June 2022

## Skillset

Language:	- Arabic:	-English:
	Mother’s tongue	B2 (upper intermediate)
Data Analysis & Reporting	Documentation & Record Keeping	Problem-Solving & Root Cause Analysis
Attention to Detail	Team Collaboration & Communication	Time Management & Organization
Knowledge of QC process and industry	Research skill
